

# Servants of Saint Francis Society at Christ the King Regional School

The Servants of St. Francis Society (S. O. S.) is being formed here at Christ the King Regional School in honor of the Saint Francis and the Franciscan Sisters who first missioned this school. It is our way of continuing the corporal and spiritual works of mercy and humble service to God on which this school was founded. Our hope is to live the prayer of Saint Francis and bring faith, hope and love to those in need in our own local community as well as in the larger world. All CKRS children, parents, families and friends are always welcomed to join in any of our Societies Projects and Programs. Meetings will be held once a month on Thursday after-school and also on one some Saturday morning s to allow for parents involvement. All hands and heart are always welcomed!
