### **Love the Italian Language**

The Italian language will be offered for 10 weeks in a special program in collaboration with Christ the King School and the Pinetina Center for Italian Arts and Culture in Haddonfield. We encourage you to allow your children to have a choice to learn a wonderful language and culture. Especially for beginners, this program will focus on basic vocabulary and short phrases with emphasis on proper diction. Learn more at [www.pinetina.org](http://www.pinetina.org).
