ACTION ALERT

ISSUE: The Legislature is in the process of finalizing changes to the Governor’s Budget (commonly known as “Budget mods”) that will be part of the Appropriations Act. While there are still some steps to be taken within the Legislative Caucus, there is no need to contact legislators at this time. Therefore, our focus should be on asking Governor Christie not to redline any increases in nonpublic school accounts.

OUR POSITION: The New Jersey Catholic Conference and the New Jersey Network of Catholic School Families have supported the needed increases in the nonpublic school accounts in the FY’ 16 Budget since the Governor’s Budget was introduced in February.

ACTION: Call, write or email the Office of Governor Chris Christie to ask that any increases in nonpublic school accounts provided by the Legislature be retained in the final version of the State Budget for FY 2016.
