Know that your presence is welcomed at any point during the evening, even without a RSVP.

**This intergenerational event will celebrate:**

- \* The birthday of our Church
- \* The gift of the Holy Spirit in our lives
- \* The diversity of our various backgrounds and cultures

There will be party games and crafts for the kids, meaningful conversation for the adults and an outdoor activity for the teens!

Our Birthday Celebration wouldn't be complete without food! We ask that everyone brings a covered dish that celebrates their ethnic heritage if they can, even if it's a classic American dish!
