A few notes about this year's supplies:

1. **Student's Name MUST be on the order** – Please complete the form on the Becker Landing Page: Add Name(s), Select Grade(s), Hit Submit, then begin shopping.
2. All grades have **options** available and yes, you can order just the option(s) if that is what your need is.
3. Specific colors for pencil cases, copybooks, book covers cannot be selected. They will be randomly chosen by the warehouse when your class-pack is being processed.
4. Should you decide not to order through Becker's and wish to do shopping on your own, please follow the icons on the CKRS website to see the complete by-grade supply list. Also, if you are not ordering with Becker's, please follow the list exactly, especially when the teacher has requested particular colors!!
5. Due to the timing and fluidity of this year – **late orders cannot be accommodated!!**

If you have any questions, concerns or difficulties getting or paying for supplies please email Cheryl Judge [cjjudge@ctkhaddonfield.org] I will assist in any way possible.
