Parents' Role in Education

Introduction:

Catholic schools serve a vital role in the Church's mission of providing young people with a strong formation in the Faith; they have a particular goal in helping Catholic children and young people grow in faithfulness and apostolic zeal. Christ the King Regional is open to all who wish to learn in a Catholic environment. By our works and example, we evangelize our students, their families, and the broader school community.

Since humankind is created in the image and likeness of God, all human activity is to image His likeness, and is to be undertaken in an honest and humane way, always expressing the will of the Creator. Such activity includes work, sports, hobbies, social interactions, and interpersonal relationships. Catholic schools, like all human activity in which the Church participates, should reflect the faith which the Church has received from her divine founder.

Catholic School Environment:

As a community whose primary mission is the teaching of the Faith, Christ the King Regional School maintains an environment that is true to the teachings of the Church, and it is important that parents/guardians understand this and accept this. By choosing a Catholic school, parents/guardians recognize that they are enrolling their children in a school environment that is shaped by the teachings of the Catholic church and governed according to those religious beliefs. Parents/guardians must accept that certain standards of behavior and comportment are expected and agree to support these standards and the mission of the school.

If parents/guardians or students oppose Church teaching publicly, or in a way that disrupts or interferes with the Church's teaching mission, they will be engaged pastorally to resolve the differences by explaining the Church's teaching and the reasons for the teaching, and kindly encouraging the parent or student to respect such teaching. Parents/guardians are advised that continued opposition may result in disenrollment of the student from the school.

We, at Christ the King Regional School, consider it a privilege to collaborate with parents in the education of children because we believe parents are the primary educators of their children. Therefore, it is your right and your duty to become the primary role models for the development of your child's life---physically, mentally, spiritually, emotionally, and psychologically. Your choice of Christ the King Regional School involves a commitment and exhibits a concern for helping your child to recognize God as the greatest good in his/her life.

Good example is the strongest teacher. Your personal relationship with God, with each other, and with the Church community will affect the way your child relates to God and others. Ideals taught in school are not well rooted in the child unless these are nurtured by the example of good Catholic/Christian morality and by an honest personal relationship with God in your family life.

Once you have chosen to enter a partnership with us at Christ the King Regional School, we trust you will be loyal to this commitment. During these formative years (Pre-K to 8), your child needs constant support from both parents and faculty to develop his/her moral, intellectual, social, cultural, and physical endowment. Neither parents nor teachers can afford to doubt the sincerity of the efforts of their educational partner in the quest of challenging, yet nourishing, the student to reach his/her potential.

It is vital that both parents and teachers remember that allowing oneself to be caught between the student and the other partner will never have positive results. To divide authority between school and home or within the home will only teach disrespect of all authority. If there is an incident at school, you as parents must make an investigation of the complete story your first step. Evidence of mutual respect between parents and teachers will model good mature behavior and relationships.

Students are naturally eager to grow and learn. However, sometimes in the process of maturation new interests may cause them to lose focus. As this natural process occurs, the student needs both understanding and discipline. At times, your child may perceive discipline as restrictive. However, it is boundaries and limits which provide a young person with both guidance and security. It is essential that a child take responsibility for grades he/she has earned and be accountable for homework, long-term assignments, major tests, service projects, and all other assignments. This responsibility also extends to times of absence.

Together, let us begin this year with a commitment to partnership as we support one another in helping your child to become the best person he/she can become.

Day to Day Operational Information

STUDENT DROP-OFF AND PICK-UP

All students are expected to be in their homeroom by 8:15AM. Children arriving after 8:15 will be marked tardy at the point of entry at the back cafeteria door. Those arriving later than 8:25 must enter through the Front Door and report to the Front Office and will be sent to class with a tardy slip. Please Park in our parking lots below or on the street in a legal parking space if your child arrives late to school. Chronic lateness (more than 3 times in a quarter) will be addressed as a discipline

matter.

Arrival and Departure Procedures:

Students arriving prior to 7:45 AM are not permitted in the building unsupervised. If your child needs to arrive earlier than 7:45 he or she will be placed in morning care, and you will be billed accordingly. All students will enter the building through their assigned grade level door. Grades 4,5, &6 Gym Door closest to the Loop. Grades 7 & 8 Cafeteria Steps. Grades K-3 Middle Gym Door. Pre-K will enter at the Cafeteria Door and gather in the cafeteria and be escorted to their classroom.

A.M. Drop Off:

All parents must sign up via Sign-up Genius for a designated drop off time. There will be 3 drop off time windows (7:45-7:54, 7:55-8:04, 8:05-8:14) **School begins promptly at 8:15AM.** Parents may use both **Wood Lane and Euclid Avenue.** If using Wood Lane, please join the end of the line from intersecting streets other than Hopkins Avenue. Turns into the school driveway are not allowed from the right or the left of the driveway. If you are using Euclid Avenue, proceed through the bus loop, pulling up as far as possible to let your child out of your car. Please remain in your car at both Drop-off areas, safeties will be there to assist with opening car doors and escorting younger students if necessary. **THESE ARE KISS AND GO ZONES!** Please do not park anywhere in the loop or stop and get out of your car to assist a child in the Wood Lane line. If you need to help your child with belongings, use the Wood Lane line only and park in the lower parking lot,

PreK students without older siblings are asked to drop off between 8:15 and 8:30 if at all possible. It makes for a calmer and logistically easier start to the day for all concerned

P.M. Dismissal – 2:35 -2:55 PM at ten minute assigned intervals.

Car Rider Dismissal Procedures:

All parents must sign up via Sign-Up Genius for a designated dismissal time. **Please adhere to your assigned pick-up time. For the system to work you cannot come any earlier than 5 minutes before your assigned time.** Car Pick up begins at 2:35 and ends at 2:55 p.m. and will be at approximately 10-minute intervals. **Assigned at 2:35, join the car line at 2:30, assigned at 2:45, join the carline at 2:40 and assigned for 2:55 will join the carline at 2:50.**

Groups will be loaded promptly at one-two minutes past the assigned family pick-up time and will be signaled to leave once all children are in the cars safely. The goal is for all this to happen in a five-minute window of time, so we need adults who are picking up children to turn off their car motors and be ready to visibly greet and assist the child into the car in a timely fashion.

Children still waiting after 3:05p.m. will be sent to after-care and you will be billed accordingly. A phone call will be made to the parent/guardian to check on the pick-up delay.

Carline Etiquette: For safety reasons as well as the consternation of fellow drivers, please do not cut the car line or go around a sitting carline during the arrival and dismissal hours. This includes making direct turns into the CKRS driveway off of Hopkins Ave. from either direction. Please the sometimes longer p.m. car rider line from an alternate street approach further down off of Wood Lane such as Windsor, Merion or Hawthorne. Once in the car rider line, please follow closely behind the car in front of you on to the lower playground. Children are loaded into cars together and all cars exit together once all children are safely in their respective cars. **Please get out of your car and be visible to your waiting child. Please assist your child if necessary, into their seat belts for time and safety sake.** For security reasons, all adults are asked to not come up and beyond the yellow concrete parking barriers to greet or get a child from the upper parking lot. Safety Patrol Members will escort younger children to the cars and hand them off safely to you. **ALL CHILDREN are sent down at the same time to the waiting cars**

once all the cars have stopped. Please don't signal to your child to come down to your car or to you nor should you approach the area past the yellow curb barricades where the children are kept and safely waiting on the upper lot. Once all children are safely loaded in the cars, a signal will be given for your flight of cars to be released. Thank you for your cooperation.

Walkers

All walkers will be released at 2:45 and sent around to the Front of the school building to be either met by an escorting adult or begin their walk home alone. Any child, not met by an escorting adult will be taken to the blacktop area at 2:55 to wait with a supervising adult in the area. If you arrive late but before 3:00 p.m. please ring the Front Bell and someone will greet you and get your child brought to the Front Office.

Once it is 3:00 p.m. and the carlines are gone, any walker still waiting will be placed with the After-Care Supervising Adult who will alert the Front Office to call home. Children will not be released to anyone else without a written or verbal confirmation from you or another guardian that permits your child to leave CKRS under their care.

Crossing Guards are on duty and stationed throughout the district beginning @ 2:30 - 2:45 and end usually around 3:15. The children are instructed to follow the sidewalk path to the crossing guards at each corner. If you live or have a business in Haddonfield, and come to CKRS to escort your child home, please arrive by 2:40.

Only True Walkers who actually live in Haddonfield or those who have a regular fixed walking destination in Haddonfield more than 3 blocks from the school may be designated as a walker. Addresses will be checked at the beginning of the school year. Everyone else who is not eligible as a true walker must choose a time to join the car line

Other Transportation Concerns

- Any known or anticipated **change in transportation** at dismissal must be reported via a **note to the teacher at the start of the school day.**
- Any parent or guardian needing to pick up a child early for any reason is expected to do so before 2:00 p.m. to avoid disrupting end of school day business and dismissal procedures.
- If for an **emergent reason, you are unable to meet your child as planned, please email the teacher and Front Office** so we are aware of your delay in your arrival or know other arrangements you may have made for them to be picked up from school. We will let your child know of the change of plans so they are not worried about your well being and know you or someone is on their way to get them.

The school attempts to provide an environment in which the student will be safe from accidents. If a minor accident occurs, the school nurse will administer first aid immediately. The parents of the student will be notified of the accident and if a doctor's attention is required. Each time your child visits the nurse's office, a slip will be sent home to make you aware of your child's visit.

EARLY DEPARTURE FROM SCHOOL FOR MEDICAL REASONS

Students who go home sick from school before lunch will be marked as absent for the day and may not participate in any after school club, team or activity.

Students who come in late due to illness or a medical appointment must be in before **10:30 AM** to be marked "Present " for the day

A CHILD ABSENT FOR 3 OR MORE DAYS FROM SCHOOL REQUIRES A DOCTOR'S NOTE TO RETURN TO SCHOOL.

If your child has a physical condition or sustains an injury that prohibits their return to school or participation in certain activities please contact the nurse and also send them back to school with a written note with the restrictions so we can accommodate your child's medical

needs as best as possible.

Students may bring their own lunches/snacks from home or buy lunch from our lunchroom which is being offered through our long-time provider, Nutriserve. The monthly menu can be viewed on the school website and parents can preselect and pay for their child's meals and snacks each month.

Parents dropping off forgotten lunches are asked to leave them on the cart outside the CKRS Front Door. Please be sure to mark the lunch with Child's name and Grade. The lunch will be delivered to them, or it can be picked up by your child before lunchtime. **NO FAST-FOOD LUNCHES ARE ALLOWED TO BE DELIVERED AS A "FORGOTTEN LUNCH"!!!** If your child's forgotten lunch cannot be dropped off to school, we are always happy to give them a courtesy lunch of the day and you will be billed \$3.50.

Due to allergies and other medical conditions, birthday treats and holiday treats have become very limited in scope of acceptable options to bring into school. Your child's teacher will send you a memo regarding the restrictions of brought in items. In general, treats sent should be store bought and individually wrapped. Non-food items like pencils, stickers, trinkets, etc. are strongly encouraged especially for Grades PreK-3 . Please check with your child's teacher for more information.

FIRE, DISASTER, LOCK-DOWN DRILLS as required by the State of N. J.

Fire/ Safety School drills are required to be held each month. Students are trained to react to the specific drill as appropriate. All adults in the building are required to follow these procedures. Students will periodically practice lockdown procedures in the event of an emergency in the building or vicinity. Notification after the completion of the drill will be given to parents when a high-level lock-down/active shooter drill has occurred during the regular school day. These types of high risk level drills are generally held only two or three times a year. .

CKRS in compliance with NJ State Law adheres to a regular schedule of school safety, secure environment, and fire drills. The NJ States mandates that we have a Fire Drill a month as well as one additional non-fire school safe environment drill including but not limited to active shooter lock-down drill, shelter in place Lock-in/lock-up drills, bomb and other non-fire evacuation drills and weather safety drills such as hurricanes and earthquake procedures.

In Addition, to these safety procedure drills, CKRS maintains a safe environment by requiring fingerprinting, background checks, CAP training of all personnel and volunteers. We also adhere to all NJ State standards of Pest, Chemical, and Asbestos management standards as well as building and fire code requirements.

This also serves as a formal letter of notice that we are in full compliance regarding our Asbestos Management plan and inspection as it is required by NJ State law. our compliance with the Federal our compliance with the Federal Asbestos in Schools Program established under Asbestos Hazard Emergency Response Act (AHERA). This Act requires an asbestos information notice be sent to you each year.

These plans, which are located in the Front office of our school building and with the maintenance department supervisor, are available for review during normal school hours.

may not take place while on school grounds. Please read the Diocesan Policy on Bullying posted on our website. .

CATHOLIC FAITH IDENTITY

SACRAMENTAL PREPARATION

The faculty of CKRS recognizes the fundamental right of the parents to prepare their children for the reception of the Sacraments and strongly encourages the parents to fulfill their obligations. Our curriculum is so planned as to assist parents in preparing their children for the first reception of the Sacraments of Reconciliation and Holy Eucharist, and for the reception of the Sacrament of Confirmation. Diocesan directives mandate that students receive the Sacraments for the first time in their home parish.

LITURGY

Liturgy plays a vital part in the life of our students. A fully Christian life cannot be conceived without participation in the liturgical services in which the faithful, gathering into a single assembly, celebrate the Paschal Mystery. Monthly masses are prepared by various classes thus involving the children in the active participation in these Masses. Every parent is welcome to attend these Liturgies, especially when his/her child participates with his/her class. Your child will be notified by his/her teacher of the date of these Liturgies. Frequently, throughout the year, there will be Penitential Services for students in Grades 3-8

ADMISSIONS

CKRS admits students of any race, color, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of educational policies, admission policies, athletic programs or other school-administered programs.

PRIORITY ADMISSIONS POLICY FOR KINDERGARTEN

- A child who attains the age of five before the thirtieth day of September will be eligible to attend Kindergarten.
- Admission is contingent upon a Kindergarten screening. The results of the screening will determine readiness for admission to the Kindergarten Program.
- Returning families will be granted enrollment priority into the Kindergarten Program. (Students who are already attending Pre-K at Christ the King Regional School or students who have siblings currently registered at CKRS).

Math Placement

Christ the King Regional School provides a differentiated math program for students in 5 -8 grades based on their mastery of math skills and facts. The purpose of differentiating our Math Classes is two fold: First to provide students who demonstrate higher mathematical abilities a pathway to complete a full year of Algebra I by the end of eighth grade and Secondly to provide our other students with on grade-level / on target Math Skills, the instructional support they need to be Algebra I ready by highschool. Students are initially selected into different Math Class groupings at the beginning of 5th grade and are re-evaluated at the end of each year to maintain or change placement. Selection is based on STAR Assessment scores, math grades, and teacher recommendation. Despite initial placement at the beginning of the academic year, students who are not working to potential or unable to maintain a consistent C+/ B average by or feel stressed by the pace and rigor of the class at the end of the 1st Quarter may be moved out of the higher math grouping, likewise, students who show marked improvement in their Math ability and competency from the prior end-of-year assessments may be invited to move into the higher Math Grouping at the end of the 1st Quarter. Any changes in a student's Math group placement will be done by their Math Teacher in consultation with the student's parents and the Principal. After the 1st Quarter, Math Placements are locked

in place for the rest of the academic school year.

ENROLLMENT

Enrollment applications are available online. For enrollment to be completed, enrollment fees must be paid at the time the enrollment application is submitted and all required documentation must be submitted to the Front Office.

RE-ENROLLMENT PROCESS

Re-enrollment forms will be emailed and available online after a specified date. Parents will be notified once re-enrollment is available. We do not automatically re-enroll students.

REGISTRATION

For new students moving into the area or those wishing to transfer into CKRS registrations are accepted throughout the school year. Re-registration of existing families, including kindergarten registrations, for the following school year must be received by the end of January. The school will send home the appropriate forms to all in-school families. Registration forms for new students can be picked up at the Main Office. In accordance with the Diocesan regulations, pupils will be admitted to kindergarten if they are five (5) years old by September 30th. First grade pupils will be admitted if they are six (6) years old by September 30th. All new pupils must present Health Records and Certificates of Birth and Baptism.

CHANGE OF ADDRESS/TELEPHONE NUMBERS

A change of address or telephone number, which does not involve a transfer, must be reported to the school office as well as to the classroom teacher immediately to update our contact information. .

TUITION

Tuition and fees are a necessary source of funding for CKRS. The annual operating budget typically mandates the generation of approximately 60 % of its funding through the collection of tuition and fees. The Pre-Kindergarten Program maintains a separate operating budget from the rest of the school. Tuition and fees are the sole source of funding for this program. To this end, the financial health of our school is dependent upon the timely collection of all tuition and fees. Financial penalties and subsequent actions will be strictly enforced.

DEFAULT

Should any tuition payment be sixty days past due, and the family has not made acceptable tuition payment arrangements with the Pastor, the account will be considered in default. All children from that family will not be permitted to attend school until acceptable financial arrangements for payment have been made. It is the responsibility of the family to initiate any actions to rectify any delinquent or default situation.

DELINQUENCY AT MARKING PERIODS

Report cards may be held until all of the family's financial obligations with CKRS are current.

HARDSHIPS

If during the academic year a hardship occurs which would prevent a family from making a scheduled tuition payment, special payment arrangements must be made with the Business Manager in consultation with the principal and/or Pastor prior to the payment due date. Failure to make these arrangements prior to the payment due date will not relieve a family from the late fee obligation. Do not ask for payment relief from the school office or rectory staff. The Business Manager in consultation with the principal and/or Pastor, is the only person able to provide tuition relief or alter payment terms. CKRS will help as best we can if such circumstances occur. Please ask for help.

LATE FEES/BANK CHARGES

K-8 annual and Pre-K payments are due at the school office by the 1st of the month corresponding to the payment plan chosen. Payments received after the 1st are subject to a \$30.00 late fee. A \$30.00 ISF bank fee also applies for checks returned by the bank. FACTS

assesses an additional \$20.00 fee for any automatic deduction refused by your bank. A second withdrawal attempt will be made again approximately 10 days later. Delinquent automatic deduction accounts may incur multiple fees if FACTS unsuccessfully attempts withdrawals for both current and past due amounts. Your bank may impose additional fees.

OTHER FEES

From time to time, it may be necessary to assess a specific purpose fee, for example 8th grade graduation fee. These fees will be in addition to the above-mentioned fees and are not included in the tuition payment plan.

PARTIAL PAYMENT POLICY

If the entire periodic payment amount is not received by the designated due date, the entire payment will be considered late and is subject to the full amount of the late fee. There are no exceptions.

RECORD TRANSFER POLICY

No academic records will be sent on behalf of a student, until all of the family's financial obligations with Christ the King Regional School have been satisfied.

REFUND POLICY

Student withdrawals made after July 1st of the academic year are eligible for a tuition refund. The amount of the refund is determined by the date that the school office receives an official letter of withdrawal. Student withdrawals made during July and August of the current academic year, are eligible for a refund equal to the full amount of tuition paid for the current academic year less \$175.00 per student withdrawn. Student withdrawals made during September and October of the current academic year, are eligible for a refund equal to the full amount of tuition paid for the current academic year, less 25% of the entire tuition obligation. Student withdrawals made during November and December of the current academic year, are eligible for a refund equal to the full amount of tuition paid for the current academic year, less 50% of the entire tuition obligation. Student withdrawals made during January and February of the current academic year, are eligible for a refund equal to the full amount of tuition paid for the current academic year, less 75% of the entire tuition obligation. No refund will be granted for student withdrawals after February of the academic year. No refunds will be granted for processing fees paid or late fees assessed. Any penalties or fees still owed the school will be deducted from any refund amount due the family. If tuition or other fees are in arrears, and sufficient payments have not been received to meet the above minimum tuition obligations plus any outstanding fees, those funds necessary to meet the minimum tuition requirements plus any related fees will remain an obligation of the family. The Tuition Office will handle all refunds for payments.

REGISTRATION FEES

Each child intending to re-enroll in CKRS for the forthcoming academic school year must be registered with the school no later than March 1st of the preceding academic year. The cost of registration is \$100 per child and is due at the time of registration. **This fee is non-refundable.** Tuition (and applicable family, child, and supply fees) **All** tuition and operating based fees have been aggregated. A detailed breakdown of these fees and how they affect overall tuition payment amounts is available in the school office.

TUITION PAYMENT PLANS

CKRS offers tuition installment payment plans of 1, 2, and 10 payments. The 2 and 10 payment plans will be collected by FACTS. Please see our website link for more information about tuition payment plans and contact information. Detailed payment schedules are also available in the school advancement office.

FINANCIAL AID

There are ways to help you finance your child's education. Begin by filling out our Online Tuition Assistance Form. [Click Here](#) for Online Tuition Assistance Information and to apply for aid. Contact **Anna Callaghan at 856-429-1600 ext 102** for any additional information about Financial Aid.

School Supply Fee for Kindergarten and PreK

Pre-K and Kinder supplies are bulk bought and provided within the classroom as needed. A single PreK and K supply fee is paid by all families along with tuition. All children receive all standard classroom supplies as well as other specialty items needed throughout the school year from their teachers.

ACADEMIC POLICIES

ACADEMIC GRADES

REPORT CARDS & PROGRESS REPORTS

Teachers utilize the FACTS SIS program to keep parents informed of student progress. Parents can access the FACTS program to monitor their children's progress. Progress Reports/Failure Notices will be issued to students midway through each marking period, to encourage improvement before Report Cards are complete for the quarter.

In accordance with Diocesan policy, Report Cards are issued four times during the school year. The dates for these will be published on the annual and monthly calendars. The Report Card marks are the result of test grades, quizzes, projects, class participation, and the quality of written and study homework. The use of the Diocesan Report Card grades calls for the following:

KINDERGARTEN SCALE

Letter Grade

- **C** Consistently Observed
- **S** Sometimes Observed
- **N** Needs Practice and Support
- **N/A** This skill was not assessed during this marking period

GRADES 1-2 SCALE

- **G** Growth exhibited to build knowledge and skills, meeting grade level expectations
- **P** Early stages of development, progressing toward grade level expectations
- **I** Initial stages of development, needs assistance

GRADES 3-8 SCALE

- **NI** Needs Improvement
- **U** Unsatisfactory

Parents and Guardians are requested to examine carefully and sign each Report Card. If at any time there is an indication that your child's work is not satisfactory, you may request a conference with your child's teacher. Parent Conferences are scheduled in conjunction with the distribution of Report Cards. These conferences allow parents and teachers to discuss, in detail, the student's academic progress as well as his/her social and emotional growth. Your assigned date and time of the conference will be sent to you. A conference may be scheduled when the need arises if the parent or teacher so desires. Parents/guardians, who may need to meet with a teacher at a time other than on Parent Conference Day, should make an appointment. Teachers will make every effort to meet with parents/guardians when requested.

EXTRA-CURRICULAR ACTIVITIES PARTICIPATION POLICY

Activities that occur after school hours are considered to be extra-curricular. CKRS offers several avenues for extra-curricular involvement including the Student Council and programs run by the Athletic Committee. Academics and conduct must receive top priority. Curricular success must be met before participation in extracurricular activities is permitted. The CKRS policy regarding eligibility for participation in activities is based on a student's academic record. The policy is as follows:

- Any student receiving a grade **below 70 or a U in conduct** on his/her progress report or report card **cannot participate** at all in any extra-curricular activity for a three-week period.
- Any student who receives a grade **below 74 or a NI in conduct** will be placed on **probation for a period of three weeks** until an interim report from the teacher indicates improvement.
- After this time, a re-evaluation will take place to determine if the student is doing well enough to resume the activity or be moved from probation to suspension if there is no improvement.

A STUDENT WHO IS ABSENT FROM SCHOOL MAY NOT PARTICIPATE IN ANY SCHOOL-SPONSORED ACTIVITIES, PRACTICE OR SPORTS COMPETITION ON THE DAY THE ABSENCE OCCURS.

SPECIAL SERVICES

Child Study Recommendations: Sometimes it is necessary for a teacher to recommend evaluation of a child for academic, social, and/or emotional reasons. Early assessment of possible problem areas does help most children for whom it is suggested. **SERVICES Children** may also receive the following services, if they qualify:

- Corrective speech therapy
- Home instruction in case of prolonged absence
- Compensatory education for reading, language and math
- Supplemental programs including but not limited to Fast for Words, Cooper Learning and Learning Ally

PROMOTION AND RETENTION

Retention is sometimes necessary because a child cannot achieve success. When there is a possibility of taking this measure, parents will be notified of this by **February** and encouraged to meet with the child's teacher, so that measures can be taken to help the child achieve academic success. A follow up conference should be scheduled to mark any improvement. If, at this point, there has been little or no improvement, retention may be applicable. Promotion and retention are the prerogatives of the principal in consultation with the teachers and parents. Parents will be notified, and conferences are encouraged; however, the principal will make the final decision concerning promotion or retention. In certain cases, summer school will be necessary.

WITHDRAWAL PROCEDURE

A student that is transferring from CKRS to another school should inform the School Office at least one week prior to withdrawal. This will help expedite the transfer of appropriate files to the next school. A CKRS Withdrawal Form will be completed for the transferring student. A copy of the Withdrawal Form will be given to the parent officially completing the withdrawal process. When a student withdraws prior to the end of the semester, he/she will receive exit grades only, not semester end grades. The outstanding balance on the student's account must be paid in full for the withdrawal process to be completed. Registration and Miscellaneous Fees will not be returned. Parents are responsible for enrolling their child in a school within 10 days from the withdrawal date so that the student will not be reported to authorities as truant.

STANDARDIZED TESTING

STAR assessments report performance in three main indicators: Scaled Score (SS), Percentile Rank (PR), and Student Growth Percentile (SGP). The Scaled Score shows the performance of a student in a given STAR test for a particular grade level and subject.

FIELD TRIPS

Field trips are privileges afforded to students. Students will be denied participation if they fail to meet academic or behavior requirements. All regular CKRS school rules apply on all school trips.

- At the discretion of the principal, each class will have two educational field trips and one religious trip throughout the school year.
- Whenever possible, all departures and returns of class trips and field trips must occur within normal school hours (between the hours of 8:15 AM and 2:45 PM), with the exception of the junior high.
- If traveling by bus, all children participating in the trip must ride the bus.
- Parents are not permitted to drive their child or anyone else's child to or from the trip.
- All class trips and field trips require signed permission slips. If a permission slip is not returned to school with a parent's signature, the student will not be permitted to participate in the trip.

ATTENDANCE

ABSENCE POLICY

Success in any endeavor requires continuing daily effort. Nowhere is this truer than in education. The quality of learning for students usually reflects the regularity with which they attend school. To foster habits of poor attendance would be a disservice to our students. Therefore, our attendance regulations have been formulated as a means of helping our students develop habits that will serve them best in school and in later years.

Chronic Absenteeism or lateness may result in the retention of a student or the students being asked to withdraw from CKRS. Chronic absence is considered more than 18 days in a school year or 20% of the calendar school days in a given period. Chronic lateness is more than 5 late arrivals in any one academic quarter.

The following guidelines apply to attendance:

- To report an absence, parents should call **429-2084...Prompt #3** before 8:30 AM.
- If a child is absent for more than a few days, steps should be taken by the parent/guardian to ensure that the child's re-entry into the classroom is smooth, and that missed instruction can be made up in a minimal amount of time. It is the student's responsibility to obtain assignments and make up the work and tests missed on terms convenient to the respective teacher. Parents can be of assistance with this, especially

with younger students.

- **Students with severe colds and coughs, fevers, nausea, diarrhea, and other signs of illness should not be sent to school.** A child must be 36 hours fever-free without medication to re-enter school. Sick children have great discomfort and difficulty attending to their assignments and as importantly, they spread the illness to others. It is important that after any viral infection, the child be kept home until they are fully recuperated.
- **A full day of school requires 4 hours of attendance. Students arriving or departing without completing 4 hours of study will be marked absent for the day.**

A STUDENT WHO IS ABSENT FROM SCHOOL MAY NOT PARTICIPATE IN SCHOOL SPONSORED EVENTS, ACTIVITIES OR SPORTS ON THE DAY ON WHICH THE ABSENCE OCCURS.

EARLY EMERGENCY DISMISSALS

EMERGENCY EARLY DISMISSALS

- Emergencies can arise, and in such situations, we would dismiss students early.
- It is essential to arrange with your child a procedure that you wish him/her to follow in such an emergency.
- For example: Go home with an older brother or sister or a neighboring student.
- It is very important to make arrangements for the child to go to the home of a relative or neighbor should no one be at your home.
- It is just as important to inform the school of the emergency arrangements you have made with your child.
- In the event of an emergency closing during the school day, you will receive a phone call, an email and a text through the school's **One Call System** to alert all parents of the emergency closing.
- It is always imperative that the office has the current home and business phone numbers of parents and at least one emergency contact person.
- Emergency contact forms requesting this information are distributed at the beginning of the school year to each family. Parents are responsible for keeping this information current.

ILLNESS/APPOINTMENTS: A STUDENT WHO IS ABSENT OR SENT HOME FROM SCHOOL SICK MAY NOT PARTICIPATE IN SCHOOL-SPONSORED ACTIVITIES OR SPORTS ON THE DAY THE ABSENCE OCCURS.

- If a child becomes ill at school, parents will be notified, and they must come to pick up the child.
- Emergency cards must be completed at the beginning of each school year and kept current so that parents, guardians, or their designated representative can be reached.
- It is essential to send written notification when someone else is to pick up your child.
- Parents are asked not to take children out of school for appointments, etc. In cases where this might be a necessity, the parent should send a note to the [front office](#) indicating pick-up time and the class the child will be in at the time of the dismissal.
- When picking up your child, please report to the front office to sign your child out for the day.
- If the child returns to school during the school day, he/she must be signed back into school in the front office.
- Students who are away from school for an appointment for three hours or more will be counted as absent for the day. A full day requires four hours of attendance.

PEANUT and TREE Nut Allergy Concerns

We are concerned about the safety of all our students, and it is important that the school does all that it can to protect them. We have established "peanut-free" areas to eat in the cafeteria

and preference for seating at this table will be given to children who suffer from peanut and other food allergies documented in the nurse's office. Allergy affected students may have only one pre-designated student guest who agrees to comply with the peanut-free guidelines at the designated peanut/tree nut free table. Guest may change by the week.

Parent FAQ Answers:

Classroom Deliveries

To permit our teachers to maintain continuity in their teaching, deliveries (including lunches, money, books, athletic wear/equipment, etc.) will not be made to the classrooms. This includes messages to come and retrieve these items from the office. It will be your student's responsibility to initiate the collection of forgotten items from the School Office/Athletic Office at break and lunch only (not during class time.) This policy does not pertain to genuine emergencies. **All forgotten items are to be left on the cart directly outside the Front Door. It is regularly monitored by the Office Staff and items are brought in for your child to retrieve.**

Invitations to Graduation/Birthday Parties/etc.

To encourage a sense of community among classmates, party invitations can be sent through school only if they include all students from a class. Otherwise, please use the postal service or email to distribute invitations

Outside Promotions and Solicitation for funds or support by individuals or groups are not permitted. DISCIPLINE

DISCIPLINE POLICY

PHILOSOPHY

At Christ the King Regional School we strive to develop in each student a sense of self-

discipline, which grows out of a respect for oneself and for others. For that reason, our code of conduct is designed to help each student take responsibility for his/her own actions. We establish rules and regulations to provide and maintain an atmosphere, which allows for orderly and efficient school operation. Our goal is to establish a code of conduct that will support the development of young people who consistently manifest the attributes of a committed Christian.

The word discipline is related to the word “disciple”, which means “pupil” or “one who is learning”. We strive for an increasing sense of self-discipline as our students grow and mature through our school. The children are taught to weigh choices and consider consequences. At all levels they are held responsible for their own actions. Academic problems, while usually handled separately, may be behavioral concerns as well if they involve poor attitude.

We expect our students to help maintain a spirit-filled atmosphere where the unique dignity of each person is respected. We further expect them to take responsibility when mistakes are made and to grow in the experience. We expect our parents to support and encourage their children as they grow into responsible Christians; allowing them to grow means allowing them to be responsible for their own mistakes.

The overall effectiveness of these policies and procedures requires the positive and voluntary cooperation of all concerned. Knowledge of the rules and regulations and all their processes are the responsibility of each student of Christ the King Regional School. Neither ignorance nor lack of understanding of the rules and regulations will release a student or parent/guardian from the responsibility to cooperate with the stated policies.

EXPECTATIONS

At all times Christ the King students will be expected to respect themselves, respect their peers, respect property, and respect authority. Further expectations include the following:

ACADEMIC ACCOUNTABILITY

- Students are expected to maintain honest integrity in completing all schoolwork.
- Any copied work (including homework) will presume guilt on the part of all students involved and the work will not be accepted by any of the parties involved.
- A teacher suspecting plagiarism may ask the student to rewrite the work and/or simply give the student a “0” for the plagiarized work .
- A teacher may also administer a detention for academic dishonesty.
- A student who forges a parent name on a test or any school document will receive detention and demerits for dishonesty. Parents will be informed of the infraction.
- Flagrant disregard of the Academic Policies could result in a suspension.

CELL PHONE USE (GRADES 5-8 ONLY)

- NO Student on CKRS Grounds may use a cell phone without the permission of a supervising teacher/coach/moderator/staff member. **Cell Phones are not permitted during morning or after care, on School buses, during school activities, trips or during sports practices.** Student cell phones that are brought to school must be turned off and placed in a secured designated area in the Homeroom teacher’s room until the end of the school day when they then can be retrieved. **If a student does not comply with this policy and is found having or using a cell phone during the day for any purpose, the offender will have immediate consequences. The phone in use will be immediately confiscated and a parent or guardian will be called to pick the phone up the following school day after 8:30 a.m. at the principal’s convenience. Willful non-surrender of a cell phone or subsequent and/ or repeated cell phone use on school grounds will have much more serious consequences including but not limited to detention and assigned demerits that may lead to suspension or expulsion.**
- ****PARENTS, please do not text, call, email or IM your child during school**

hours. **If there is a truly urgent message, please call the Front Office or Principal and the message will gladly be relayed. Your child in trying to respond to your message is breaking the cell phone use policy and is subject to being disciplined for you communicating to them during the school day.

- **Children in Grades Pre-K-4 are not permitted to bring any electronic devices, games, cell phones, i-Watches, iPads, or iPods to school.** As iPhone and cell phone use trickles down to younger and younger children, we all have to be even more vigilant that this communication tool does not become a toy to amuse, tease, disturb or harass other students during the school day or become an easy way to cheat or subvert a teacher's efforts during instructional time. All classrooms have phones in them, and all teachers have cell phones in the case of a true emergency. We also will have an immediate one call notification in the case of true emergency that will immediately notify police and fire and other emergency personnel and then parents as to what the situation is and the appropriate response. At the teacher's or principal's discretion for truly serious matters, students will always be allowed to access a school phone.

Please note electronic smart watches (whether they connect to the internet or not) are not permitted on any grade level.

Please note: Parents and guardians of Middle School students 5-8th who want their child to bring a Cell Phone to CKRS will be required to attend an informational Cyber Empowerment Seminar that focuses on the inherent risks and unfortunate consequences that can come from an adolescent's misuse of a cell phone and other internet accessed devices and programming. This will be offered at the beginning of each school year. A record will be kept of your attendance and will carry over for the years your child is in Middle School here at CKRS. Once the date is decided you will be notified.

CAFETERIA and Outdoor Eating Areas

- Respect and obey adults on lunch duty.
- Sit while eating food
- Use appropriate language.
- Use conversational voices and discuss appropriate topics.
- Leave the eating areas clean.

HALLWAYS/STAIRWAYS

- Remain quiet and orderly when passing other students and classrooms.
- Keep to the right especially when passing on the stairs.

PLAYGROUND

- Respect all playing areas.
- Follow posted playground rules.
- Be considerate of others.
- Respond promptly to the bell; walk to the line in an orderly fashion.
- Return to the classroom quickly and quietly.

CONSEQUENCES FOR VIOLATORS OF GENERAL SCHOOL RULES

/PROCEDURES

Misconduct will be handled by the individual teacher or principal within the framework of normal daily class procedure. According to the seriousness or persistence of the offense, the

following steps **may** be used:

- Warning to the student regarding his action.
- Discipline action within the classroom.
- Phone calls to parents.
- After-school detention. Parents will be advised at least one day in advance.
- Exclusion from extra-curricular activities or loss of privileges.
- Parent-Teacher conferences.
- In-school suspension.
- Parent-Teacher-Principal conferences.
- Out-of-School suspension - **Students receive a grade of a zero for all in school/class work that is missed while a child is suspended from school. All assigned homework and all tests given during the period of suspension are due the day the child returns from suspension.**
- **A student receiving more than 5 demerits in a 6 week period will require a parent conference with the principal and may result in suspension.**

In most general discipline matters an appraisal of the situation by the teacher or supervising adult is the first course of action taken before disciplining a child. Some fact-finding often is necessary and children may be asked to contribute or tell what they know about a situation. Experience tells us that children will not evaluate a situation in the same way so asking each child involved is the best way to know the greatest truth of a situation. Having the benefit of an observing adult or even another child makes that scenario easier to reconcile and for facts to be verified. However, many disagreements or disputes between children are not always witnessed by a third party, so it is sometimes difficult to know with full certainty what occurred and who did or said what to whom. We always do our best to reconcile the differences between the children and ask for both an admission of wrongdoing if any occurred on his or her part and we also ask that each person seek or give forgiveness to the other person(s) involved.

Parent-teacher communication, cooperation and compassion in all discipline matters is critical to a child's developmental well being. It is essential that a student's unkind, inappropriate or unwanted behaviors are addressed as such and redirected in a fair, effective and Christian manner. If you have any questions about a classroom or generic discipline demerit notification, please initially contact the teacher who issued the discipline report with your questions or concerns. If a discipline report is issued by the Principal, please contact Mrs. Hartman directly to further discuss the matter.

EXPULSION

Only for the most serious breaches of student conduct is expulsion considered. The final decision is made by the Pastor and the Principal of the school.

PLEASE NOTE all the aforementioned disciplinary steps of progression used to redirect a student's behavior are not required nor need to be followed in any given order for expulsion of a student to occur. Any serious conduct, which causes a disruption in the classroom or the school, is unacceptable and may result in expulsion. The principal reserves the right to determine the seriousness of any school infraction and to determine the appropriate course of action to be followed. Under some circumstances serious offenses are referred to an Ad Hoc Discipline Committee, which recommends appropriate action to the principal. The Ad Hoc CKRS Discipline Committee is made up of the Principal and the Assistant Principal and one or two teachers from the grade grouping that the student is currently assigned, such as Primary Grades, Intermediate Grades or Middle School. . In cases of expulsion, the decision will be made in consultation with the Pastor and the Superintendent of Schools and/or the Assistant Superintendent.

BULLYING POLICY

Christ the King Regional School is committed to providing a safe, positive learning environment for all students, employees, and volunteers free from harassment, intimidation, bullying, or cyber bullying. To this end, we teach our students about self-respect, the respect of others and the importance of reverencing the God given dignity of all people. We do this

through teaching Christian values of compassion and encourage them to exercise empathy and to always choose kindness in dealing with each other. We also offer our students strategies to handle disputes and to build positive peer relationships.

The Administration of CKRS recognizes that bullying creates an atmosphere of fear and intimidation, detracts from the safe Christian environment necessary for student learning, and may lead to more serious violence. Therefore, the Administration in partnership with the Diocese of Camden prohibits bullying by and between all and any member of our school community including students, parents, volunteers, coaches and teachers employed at CKRS.

Definitions and Explanation of “Bullying”

- **Bullying means an electronic, written, verbal or physical act or a series of acts that are willfully directed at another person to intimidate, harass, force or control, shame another person.**
- **An incident of unkind words or names being said or called between or among a group of children is not a wanted or welcomed behavior here at CKRS however it does not necessarily constitute a true bullying situation unless it meets the criteria cited above.**
- Bullying that occurs in a school setting, meaning in the school, on the school grounds, or at any activity or sport sponsored, supervised, or sanctioned by the school is a serious breach in acceptable behavior here at CKRS. On and off school grounds, CKRS reserves the right to address it as a school issue if it substantially disrupts or interferes with the orderly operation of the school or the rights of another school community member.
- **Cyber-bullying shall mean any harassment, intimidation or bullying when such is accomplished utilizing electronic communication media.** Such media includes, but shall not be limited to, email messages, text messages, instant messages, social networking sites; internet-based video sites, and postings on blogs or pages that torments, ridicules, shames or deeply embarrasses the target of the posting or e-message. **Any electronic messaging or posting that casts a student, staff member, or volunteer in such a light as to subject them to torment, ridicule, or shame or embarrassment can be considered a form of bullying.**
- **Incidents of Cyber-bullying should be reported to the Principal and/or Civic Authorities depending on the nature of and harm done by the communication or posting.**
- Bullying has a different, much more destructive nature than most of the thoughtless and sometimes mean-spirited name calling or squabbling that often can occur between children. Although these other undesirable behaviors are neither appropriate nor condoned here at CKRS, these types of discourse between students rarely constitute Bullying.
- A more comprehensive Diocesan Bully Prevention and Response Policy which CKRS adheres to is embedded on our CKRS Home page or your reference.

CONSEQUENCES FOR VIOLATORS OF SCHOOL BULLYING POLICY

The offending adult due to their actions may be required to withdraw their children from our school.

HARASSMENT

Personal or Cyber Harassment is defined as any inappropriate verbal or physical conduct based on gender, age, sexual orientation, religion, ethnic background, race or color, physical appearance, and/or intellectual or motor abilities made by any member of the school community. The concept of intent is not addressed here, but rather, it is the recipient's reaction that is considered to be the critical variable in making any determination. Any conduct that creates an intimidating, hostile, or offensive environment shall be considered a form of harassment when:

- Subjection to such conduct has the purpose or effect of substantially interfering with an individual's academic or professional performance.
- Subjection to such conduct is made either explicitly or implicitly a term or condition of employment or education.
- Subjection to a rejection of such conduct by an individual is used as the basis for academic or employment decisions affecting that individual.

DEFINITIONS:

HARASSMENT may include, but is not limited to, verbal and/or physical harassment or abuse, repeated remarks with demeaning implications, and/or explicit or implicit threats concerning one's employment, academic status or participation in co-curricular activities.

DISCRIMINATION applies to any act in which someone is denied something to which he/she is rightfully entitled to as a person.

REMEDIATION

Any student found in violation of this policy following a judicious review of the allegations may be subject to remedial action which may include referral to counseling, an oral or written reprimand, and/or limited suspension from classes, expulsion, or referral to the criminal justice system.

HARASSMENT/DISCRIMINATION

In recognition of the dignity and worth of each individual in the image of Christ Jesus, this policy promotes an environment in which all persons of Christ the King Regional School shall be free from all forms of harassment and discrimination including immoral, unethical, and unlawful discrimination and conduct which can be considered harassing, coercive, or disruptive. Such behavior undermines Catholic values and jeopardizes the integrity of the relationship that exists among staff members and among students with their peers and with all school personnel. This behavior is unacceptable and will not be tolerated.

CONFIDENTIALITY

To the extent possible, any investigation of alleged harassment, and/or discrimination by a student or staff member will be conducted in a manner to protect the confidentiality of all individuals involved in the incident. We ask the same prudence and respect from you.

Social Media: Please respect all CKRS related social media forums and self-monitor your posts for their content, tone and most of all the confidentiality of our students, teachers and adult community members. A

Participation in a CKRS sponsored sports program is a privilege not a right. Students who want to participate must be in good academic and disciplinary standing in school and/or on the team. Students must be in full compliance with medical eligibility to play before engaging in organized Sport’s practice here at CKRS. An athletic fee is assessed to each family to help defray the cost of extra-curricular sporting programs and teams. All fees are asked to be paid at the beginning of the season.

Parents and Guardians are reminded that they are to be their child’s biggest fans, not referees or critics of them, other athletes or coaches. Please be positive in cheering for your child and the whole team. Parents cheer, Coaches coach, Officials referee. Offensive remarks or behavior by coaches, players or parents directed at another coach, player, official or spectator during a practice or competition may result in you and/ or your child not being allowed to further participate in CKRS Athletic Programs and may warrant further disciplinary action beyond the scope of our sports programs.

The focus of the CKRS sports program is to give children an opportunity to participate in a

healthy physical activity and to engage in supervised athletic competition under the guidance of our volunteer coaches. When engaged in any sporting activity, first and foremost, children need to be safe at the level of activity in which they are engaged. Confidence and satisfaction are the rewards of putting one's best effort forth whether that be into studies or into sports. No matter where they may start, all can improve and eventually succeed to their fullest potential. To this end, the focus should always be on trying your best and not on being the best or better than someone else. It should be about progress, not perfection, understanding teamwork rather than making the team. When this attitude is embraced, children learn to respect their teammates and opponents and be gracious in victory and in defeat. It puts disappointment in perspective and allows the child to move forward. Be their parent and biggest fan but always respect the coaches and officials that make the decisions. Although it might be hard at times, to just watch from afar, the reward is seeing your child grow, mature, and become great all on their own at what they enjoy is worth it. Parents are always the best teachers. The example they set is the model their children are likely to follow. Over emphasis or exaggeration of athletic prowess or the importance of sports or on winning rarely benefits the child and often places too much stress upon him or her. Please remember that a feeling of competence comes when the child discovers his or her area of strength. This is not limited to sports and athletics. It can and more often is in areas of academia, the Arts, technology, or can be in something else that has purpose and meaning and brings joy to the child.

PARENT INVOLVEMENT

Catholic schools have been successful, in great part, because of the involvement of dedicated parents. Involvement in an elementary school child's education takes many forms. Parents and guardians can offer their children no better support than being in the home to assist with the daily homework and to listen to the child's "story" of school life each evening. For those parents who are able to do so, we welcome you to be present in the school as lunchroom monitors, school yard aides, or in any classroom capacity when requested by the teacher. It is important that parents who do come into the building understand that the school is the "child's place of business" for the time he/she is within the building. The child's "job," from 8:15-2:45 PM, is to learn as much as possible about God, about life, and about how to deal with the world when the time comes to leave this most important "place of business." Educators agree that optimal learning takes place in an atmosphere of structure, quiet, calm, safety, and love. Time on task, under the guidance of the teacher, provides structure. Feeling that the building where they spend much of the day is a safe place that encourages security. Placing responsibilities on students commensurate with their age encourages a healthy discipline. Providing a "professional atmosphere" at all times allows students to view what they are about as their

“profession” for these formative years. Children feel safe, important, and loved when there is calm, quiet, structure and safety in their school building. It is with these thoughts in mind that we encourage parents/guardians and other visitors to respect Christ the King School “halls of learning” in the following ways:

- Enter the building only by the front door. As you come in, please
- Sign in at the front office.
- State the purpose of your visit.
- Receive and wear the appropriate badge/pass/lanyard.
- Visit only the area of the school where your services are being offered.
- Sign out when leaving the building.
- Drop off forgotten lunches with your child’s name and homeroom clearly marked on the bag either at the Kitchen outside door before 11:00 a.m. or at the Front Office if you prefer.

[NOTE: Nutri-Serve will allow your child to purchase lunch and charge it to the family’s account if you are unable to drop off a lunch. You or they simply have to ask for that courtesy.]

- Respect your child’s professionalism by allowing his/her learning to go on without interruption for waves, kisses, chats or delivery of forgotten articles.
- Encourage your child’s growth in responsibility by not bringing in forgotten homework, projects, etc.
- Respect the importance of these “halls of learning” by not congregating in corridors, the cafeteria, the gymnasium, or in or by the Front Office or Nurse’s office.
- Accomplish your task and leave the building, knowing that your child feels a sense of self-worth when the parent/guardian does nothing to single out the child.

Respecting your child’s “space,” allowing the child to blend in with his/her peers, honoring your child’s daily “place of business” will serve to help your child grow in to the self-confident, self-directed, mature, young person who will face the world with calm, and with the assurance that his/her judgments are sound and worthy of respect.

ADMINISTRATION / FACULTY/ PARENT COMMUNICATION & APPOINTMENTS

Parents are requested to contact the school to clarify any question in policy or matters related to their child(ren). The recommended line of communication starts with an email to the teacher, then the principal, pastor, and diocese. Appointments for a conference with the principal can be made through the school office or by emailing Mrs. Hartman directly.

24 hours is a reasonable response time for both teacher/parent communication unless they are emergent in nature. **If truly URGENT please write that in the subject line and copy the Principal on the email.**

PARENT-TEACHER ASSOCIATION (PTA)

The main objectives of our amazing PTA are three-fold.

- First, the PTA acts to promote open and respectful communication among the pastor, principal, teachers, and parents of CKRS students.
- Second, the PTA raises funds to supplement tuition and parish subsidies to facilitate the education of our children in a Catholic environment.
- To act as CKRS ambassadors of goodwill to the larger community

To achieve its objectives, the PTA sponsors a number of activities, including both social and fundraising events, throughout the school year. PTA committees manage these activities through volunteers who provide ideas, organization, and manpower. A list of the PTA Committees and their chairs is published at the front of this handbook.

The PTA is governed by an Executive Board, serving two-year terms, which includes a

President, Vice-President, Secretary, and Treasurer. The PTA holds meetings over the course of the academic year. The dates and times for these meetings are published in the school News-Brief and monthly calendar as well as posted on the PTA website www.ckrspta.com. Please visit their website frequently to keep up with all things CKRS.

The PTA has no administrative power in the day to day operation of our school. If you have a policy, procedure or protocol grievance or concern, please contact the Principal directly to discuss the matter.

SCHOOL BOARD

The School Board works to affirm and advance the mission, involves and empowers the laity, provides leadership and new perspective and insight. The pastor, principal and advancement director work with the school board to think and act strategically, planning for the future. The school board meets quarterly (or more frequently if necessary). Board members will attend school functions as needed and play an active role in the community.

PARENTAL/GUARDIAN ACCESS DUE TO CUSTODY AGREEMENTS/ARRANGEMENTS

Many families have unique arrangements for the custody and guardianship of their children. Unless there has been legal notification given to the school office, it is assumed that both parents and only both parents or the designated and agreed upon adults are permitted to pick up their children and to have access to school related information. To clarify the rights of, or restrictions upon, either parent/guardian, we ask all families in such circumstances to furnish us with the proper legal notification of such custody arrangements, special arrangements, or circumstances that both parents/guardians have mutually agreed.

VOLUNTEERS

All volunteers such as room parents, lunch aides, playground monitors, coaches, etc. who have regular contact with students are required to be fingerprinted and have a criminal background check and attend one [VIRTUS](#) Child Assault Prevention Program. Every 5 years, school volunteers need to re-attend a VIRTUS Training class. To fulfill the criminal background check, volunteers must have fingerprints taken. Please contact the school office for more information about this important process. Regular contact means ongoing contact with minors. There is no “time” definition such as 30 minutes a week. Regular contact is not a once a year event, like chaperoning a field trip or attending a class party. Regular contact is not attending school wide events. If an individual plans to volunteer for more than two special events or activities where they will be in direct contact with the children, a criminal background check needs to be acquired. Contact Mrs. Bigos at dbigos@ckrs.org with any questions.

FIELD TRIP CHAPERONES

The chaperone’s role is to oversee the conduct and safety of the students and follow the direction of the classroom teacher. Siblings cannot accompany chaperones on field trips. **The consumption of alcoholic beverages before or while on a class trip is strictly prohibited.**

ALUMNI GROUP

Through the CKRS Alumni Group, alumni can keep in contact with each other, as well as organize their interests and resources in support of Christ the King Regional School. Address and phone records of alumni are maintained for school use for development purposes to support the ongoing needs of the building and the improvement of the technology curriculum. Please contact Mrs. Colleen DeShayes @ cdeshayes@ckrs.org for further information.
