

**-CKRS SEAS Camp 2.0! “Summer Enrichment in the Arts and Sciences” Two sessions: June 20-23 and June 27-30 9AM - 12pm
\$200 per student. Camp Directors: Mrs. Lauren Picerno and Mr. John Emmons. Possibility of before care depending on interest for additional fee. Limited spots available! Fun! Laughs! STEM! Comedy! Drama!**

John Emmons Bio: beloved STEM Teacher brings his energetic and quirky excitement for all things STEM back to Summer at CKRS! With advanced degrees in both Science and Education, John has brought engaging and immersive learning activities to curious children for more than two decades. In Princeton and now in Haddonfield.

Mrs. Picerno Bio: Lauren Picerno third grade teacher and play director at CKRS brings her comedy and improv program back for summer 2022! With degrees in both theater and education, Lauren has developed a comedy and improv program tailored to meet all age groups. Lauren’s classes cultivate confidence! Learn about the performing arts!

Mrs. Picerno and Mr. Emmons join forces again this summer to bring back a second year of their acclaimed camp that combines the artistry of Drama with the inquiry of STEM! But wait.... this year we have upgraded our already exciting repertoire to include a new sports themed program that integrates physical challenges, competitions, fun games, and theme days with take home prizes that await our campers! We promise immersive learning activities that will engage and entertain!

STEM Activities include:

NEW! Prospecting for Gold, Fossils, and Artifacts

NEW! STEM Team challenges, competitions, and obstacle courses

NEW! Water Day! All water themed activities.

DRAMA Activities: Playwriting for the older campers, Comedy improv, team building, and puppet making.
