

CKRS Tuition & Fees – 2026–2027 School Year

Tuition rates for the 2026–2027 school year reflect a modest **3% increase**, allowing us to responsibly address the rising costs associated with providing a high-quality Catholic education and maintaining school operations.

The actual cost of educating a student at CKRS is approximately **\$7,750 per year (K–8)**. Thanks to the generosity of our school community, every child's tuition is significantly subsidized through fundraising efforts, the Annual Fund, benefactors and the support from the Diocesan ICSF (approximately \$75,000 annually).

Your continued participation in fundraising and contributions to the Annual Fund are essential to sustaining the financial health and mission of our school.

CKRS is also proud to offer our **H.O.P.E. Initiative (Help Out Pay Extra)**. This program invites families who are able to contribute and pay beyond their base tuition to help bridge the gap between tuition and the actual cost of education. Participation may include covering the full cost of attendance or simply adding a small additional amount to your monthly tuition payment.

Families interested in joining the H.O.P.E. Initiative are encouraged to contact our Business Manager, **Rose Cutrufello**, rcutrufello@ctkhaddonfield.org who can assist in adjusting your tuition contract to reflect your participation. Thank you.
